Re: Use of peyote in religious ceremonies of the Native American Church

Dear Mr. Jessen:

Iowa Code § 124.204(4)(p) lists peyote as a Schedule I controlled substance in Iowa, as follows: "Peyote, except as otherwise provided in subsection 8." Iowa Code § 124.204(8), exempts the religious use of peyote in bona fide religious ceremonies of the Native American Church:

Peyote. Nothing in this chapter shall apply to peyote when used in bona fide religious ceremonies of the Native American Church; however, persons supplying the product to the church shall register, maintain appropriate records of receipts and disbursements of peyote, and otherwise comply with all applicable requirements of this chapter and rules adopted pursuant thereto.

Please send me the rules your agency has adopted pursuant to this law.

Thank you for your prompt attention to this matter.

Very truly yours,
