**PLAINTIFF'S UNOPPOSED MOTION FOR EXTENSION OF TIME**

Plaintiff Carl Olsen respectfully moves the Court for an extension of time in which to file a response to the Federal Defendants' motion to dismiss filed with the Court on April 10, 2007.

The Plaintiff called the clerk of court this morning and was told that the Plaintiff's response to the motion to dismiss currently is due on April 27, 2007. The Plaintiff seeks a three-week extension until May 18, 2007 in which to file a response.

Good cause exists for the requested extension of time because the Plaintiff has been occupied with both a full-time job as a web developer and free lance work which he does to help supplement his income. The plaintiff is currently working on a e-commerce web site for a design firm in Elkader, Iowa.

The Plaintiff's to his full-time job and his part-time contract work necessitates additional time for the Plaintiff to complete his response to the motion to dismiss, which raises a variety of issues relating to the ten different causes of action raised in the Plaintiff's Original Complaint for Declaratory and Injunctive Relief (dkt. no. 1) (Jan. 16, 2007).

The Plaintiff has consulted with counsel for Federal Defendants and counsel for the Federal Defendants indicated that he consents to the current request for an extension of time.

Therefore, for the reasons stated above, the Plaintiff respectfully requests that the Court grant his motion for extension of time.

Respectfully submitted this 20<sup>th</sup> day of April, 2007.
