

**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF IOWA  
CENTRAL DIVISION**

CARL ERIC OLSEN,  
Plaintiff,

vs.

ALBERTO R. GONZALES, et al.,  
Defendants.

No. 4:07-cv-23-JAJ

**ORDER**

---

This matter comes before the court pursuant to Plaintiff's April 2, 2007 Motion for Reconsideration of Order on Motion for Miscellaneous Relief (docket 17) and Plaintiff's April 24, 2007 Motion for Notification of Filings and Time Limits (docket 25). The court denies Plaintiff's Motion for Reconsideration and grants, in part, Plaintiff's Motion for Notification.

Plaintiff seeks reconsideration of Magistrate Judge Ross A. Walters' March 29, 2007 denial of Plaintiff's Motion for Access to Electronic Case Filing (docket 14) or, in the alternative, plaintiff asks that the court "send him notices of filings and deadlines." Magistrate Judge Walters determined that Local Rule 5.3.c provides that pro se litigants shall submit paper documents to the Clerk of Court for electronic filing and that service to Plaintiff by mail satisfied procedural requirements.

This court will not disturb Magistrate Judge Walter's ruling regarding Plaintiff's ability to file electronically. However, the court directs the Plaintiff to provide the Clerk's office with his email address, upon receipt of which the Clerk's office shall begin notifying Plaintiff electronically as well as by regular mail.

Upon the foregoing,

**IT IS ORDERED** that the plaintiff's April 2, 2007 Motion for Reconsideration of Order on Motion for Miscellaneous Relief (docket 17) is denied and plaintiff's April 24, 2007 Motion for Notification of Filings and Time Limits (docket 25) is granted in part.

**DATED** this 27th day of April, 2007.
